

Keller Williams Real Estate In&Out Agent Directory

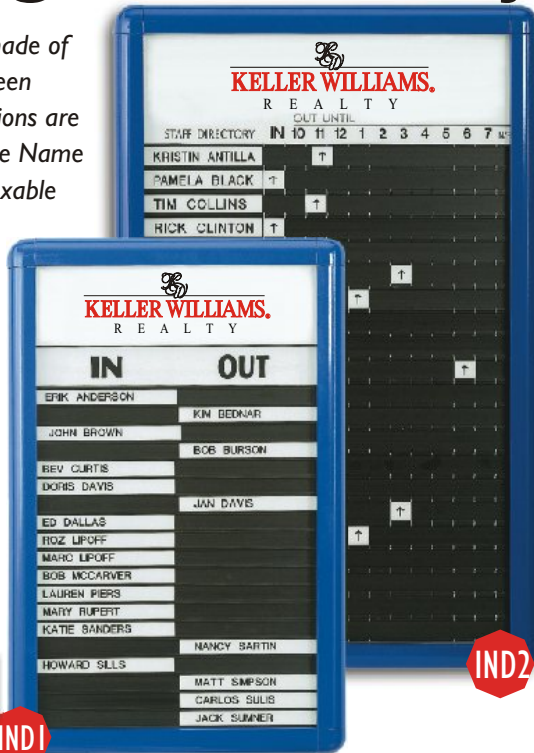

The Badge Barn In&Out Directory is made of solid Aluminum Extrusions that have been coated with baked enamel. The Extrusions are made of black anodized aluminum. The Name Plates are Thermally Printed on thin flexible Acrylic, making name changes possible without having to remove the board from the wall. The INDI is a simple In & Out Directory with the agents names displayed on a 3/4" high x 7" wide Name Plate. While the IND2 has Arrow Blocks that slide along the time track to display when the agent will be in the office. The name plates are 1" tall and stay fixed on the left side of the board for easy viewing.
